2013 SUMMER ART

What to do when school is through? Join Mrs. Hill, let's create something new!

Mini Camps add creative fun to your summer days! All classes meet at Mrs. Hill's studio at 6705 Edwards Farm Lane from 10-12:00 each day. Class size limited to 6 students, ages 5-12. Cost is \$30 per camp. Open to any students interested! Call or email to register. Light snacks are provided.

Studio Saturdays are two hour lessons that offer a chance to learn about a new technique, create art and bring home a finished product. Classes are from 10-12 and cost \$15 per class.

NEW Summer Nights Tween Art classes are for artists between 10 and 13 years old. Offered every other Thursday evening, from 6:30-8:00 through the summer, this class is for students with a passion to create, building on a solid foundation of art elements. Each class is limited to 6 students and focuses on a deeper understanding of a single art element or principle of design. Class dates are 6/13, 6/27, 7/11, 7/25, 8/8, 8/22. Cost is \$15 per class. For registration or questions contact Kristina Hill at 704-405-5898 or email art@applecatdesigns.com

Summer Art Mini Camps

Bug Out With Art

June 13-14

Intriguing? Gross? Creepy? Fun? Get up close and personal with insects through observation and design.

Create your own 2-D and 3-D magnified masterpieces. All bug handling is optional.

Simply Kente

July 18-19

Students will learn the history of Ghanaian Kente Cloths, and then practice using geometric shapes to design individual stamps to create their own Kente inspired canvas tote bags.

Painting With Picasso

August 8-9

From books to movies, Picasso's name is synonymous with art. Students will learn about Picasso's "blue" period, examine his cubism style and create two original paintings reflecting Picasso's style.

Studio Saturdays

Sun Day My Prints Will Come - June 29- Students will take a look at natural design by organizing objects on special paper and exposing the paper to sunlight creating art, called cyanotypes or sun prints.

What Does Your Art Say? - July 13- Students will be introduced to the art of Keith Haring with emphasis on his uncomplicated lines and simple bold colors and most importantly, the powerful message of simple design.

Repurposed and Reorganized- August 24- Using recycled materials, paper, paint and air dry clay, art students will create a whimsical and colorful desk organizer...and just in time for new school supplies!
